Hook 3: (3 sec clip of Dr. Andrew Huberman recommending mouth taping) " Doctor Andrew Huberman...I think you just changed my life forever.	1. The clip ends. 2. Creator looking at the camera. 3. Just woke up, messy hair but a smile on the face.
Body	
I just woke up. Do you see this smile!	1. Creator is getting out of bed while saying this. 2. Handheld camera like movements.
I never wake up with a smile this big.	3. Creator is out of bed, standing in front of a mirror. 4. Flips the camera, POV changes from selfie camera to back camera.
But I just can't stop myself from smiling	5. Creator talks while looking into the mirror.
I taped my mouth shut before sleeping last night.	6. Talking continues.
With these(shows the product)	7. Creator lowers the camera to reveal the product(pack of Respire mouth tape) on top of the table beside the bed. 8. Picks up the pack to bring it closer to the back camera.
No sleeping pills nothing....Just stick this on you lips...	9. Creator brings back the camera to face the mirror while saying this. 10. [Copy on the screen]: *I stopped taking melatonin pills last month.
And the crazy part is that this freshness is not a placebo....	11. Talking continues (back camera looking at the mirror)
Here is the screenshot of my sleep score from last night vs 1 week ago. From 79 to 86	12. [Visuals]: Aura ring interface screenshots of sleep scores.
